

Rob Astorino's Plans to Expand Westchester County Airport

Airport Privatization

40

years Westchester residents will lose control of our airport

buyer profits by increasing flights and by cutting security and environmental protections

\$5 Million

limit of required pollution insurance coverage. Taxpayers will pay the rest.

Airport Master Plan

68%

planned increase in air carrier flights

\$153 Million

taxpayers to pay for private jet hangars

\$462 Million

taxpayers to pay for capacity expansion

The airport is being fined for polluting Blind Brook. Don't let it happen to our drinking water too!

Act now, or it will get worse!

- 1 Vote for George Latimer for County Executive on November 7, 2017. Latimer has vowed to scrap the poorly conceived proposals.
- 2 Contact your County Legislator and Town Government.
- 3 Tell the FAA and the County that aircraft noise hurts our quality of life. Register noise complaints online: <http://crcaairport.org/noise> or call (914) 939-8484.
